

Hunting Hours

- Spring turkey hunting hours begin 1/2 hour before sunrise and are listed in the table below. Closing hours are sunset each day. Wisconsin’s hunting time zones are shown below.
- To determine the opening (A.M.) and closing time (P.M.) for all zones except “A,” add the minutes shown (see map) to the Zone-A time listed in the table for the date you are hunting.

PUB-WM-006 2007

New for 2007

- There are three new State Park Turkey Management Zones open this spring (34A Newport, 37A Interstate, 37B Willow River State Parks).
- Spring turkey hunting closing hours have been extended. Hunters can now hunt turkeys until sunset each day.
- This spring marks the first year hunters ages 12-15 can participate in a special 2-day youth turkey hunt to be held April 7th and 8th. More information can be found under “Youth Spring Turkey Hunt.”

Turkey Permit Drawing System

- Turkey permits are distributed by drawing using a preference system that determines which applications go into the drawing first, second, etc. First preference is resident landowners, second preference is residents who applied for, but did not receive, a spring permit the previous year, third preference is all other residents. Nonresident landowners followed by other nonresident applicants are fourth and fifth preference, respectively. The number of permits for each zone are divided equally amongst each of the six spring time periods. Success in the drawing depends on the number of permits vs. the number of applicants for each time period. Those who restrict their choices to only the early time periods may not draw a permit, while those who apply for any time period have a greater chance of receiving a tag.
- Additional Spring Turkey Permits: If the number of spring turkey permits exceeds the number of applicants for a specific zone and time period, any remaining permits will be issued for sale “over-the-counter.” Permits will be available at any license sales location, over the phone at 1-877-945-4236, or online at dnr.wi.gov. The fee for these permits will be \$10 for residents and \$15 for nonresidents. Residents will be required to pay an additional

- \$20.25 and nonresidents an additional \$65.25 for a 2007 Spring Turkey License and Stamp, unless they have previously purchased this license and stamp, or are a 2007 Conservation Patron License holder. Purchasing these permits will not affect your preference status for future Spring or Fall Turkey permit drawings. These permits will go on sale *after* March 9, 2007 at a date to be specified later.
- **Fort McCoy:** Applications for Fort McCoy spring turkey hunting permits may be obtained by calling 608-388-3337 or by writing to Fort McCoy, no earlier than February 1. Write to: Directorate of Training & Mobilization: AFRC-FM-TMR-B (Permit Sales), 110 E. Headquarters Rd., Ft. McCoy WI 54656-5226. *Note: You may not apply for a Fort McCoy spring turkey permit if you receive an approval to hunt turkeys, through the state drawing, in a Wisconsin turkey hunting zone for the 2007 spring season. However, if you are issued a Fort McCoy permit, it does not prevent you from being able to purchase a permit over the counter.*

License Requirements

- **Successful applicants will not receive their permits via mail.** Successful permit applicants will be mailed a postcard notifying them that they were successful in drawing a permit. The notification will indicate the zone and time period for which their permit is valid. **Successful applicants must obtain their permit from a license agent.**
- Except for Conservation Patron and Senior Citizen Recreation Card holders, all applicants successful in drawing a permit must purchase a 2007 Spring Turkey License and 2007 Turkey Stamp* to hunt turkeys with firearm or bow: Resident License—\$15.00, Non-resident License—\$60.00, Turkey Stamp—\$5.25. Patron License holders who have been successful in the drawing will be issued a permit at the time they purchase their Patron

- License. Senior Citizen Recreation Card holders who are successful in the drawing must go to any license sales location and receive their permit at no charge. These customers must present their Senior Citizen Recreation Card to the license sales agent.
- Spring Turkey license and stamp* will be available for purchase beginning March 9 at DNR Service Centers, license agents, by calling toll-free 1-877-945-4236 or by going on-line at dnr.wi.gov (VISA, MasterCard; there is a \$3 handling fee for purchases by phone or Internet)

* Because the system prints your turkey stamp “privilege” on your license, the actual stamp is no longer required. The actual stamp is available at DNR Service Centers for collection purposes.

Turkey Stamp and Carcass Tag

- Hunters must have their turkey license/stamp/permit/carcass tag with them while hunting and display it to a warden upon request.
- Registration stubs will be available at the registration station and will not be part of the license.
- It is illegal to transfer a license, permit/carcass tag, or stamp privilege to another, or allow their use by anyone else.
- Preference points or approvals can now be transferred to a minor from a customer who is deceased using form 9400-592.

Baiting

- No person shall place bait for turkeys or hunt turkeys with the aid of bait over an area where a person knows or reasonably should know that the area is or has been baited.
- Bait and baiting means placement or use of any material attractive to wild animals for hunting purposes, but does not include vegetation or agricultural crops that are present solely as a result of nature or normal agricultural practices.

Special Turkey Hunts for Disabled Hunters

- Hunters with a Class A or C permit, who want to participate in a disabled turkey hunt, are required to obtain permission from a landowner willing to sponsor a hunt and must meet all application requirements. For information or special hunt application (forms 2300-271 and 2300-271A) please contact your local DNR Service Center or the Assistant Upland Ecologist at 608-261-8458, 101 S. Webster St., P.O. Box 7921, Madison WI 53707-7921.

Bag Limit

- The bag limit is one bearded or male turkey per tag issued. A bearded turkey is a turkey with a bristle-like appendage protruding from the upper part of the breast. **Note:** Bearded or male turkeys with white plumage may be harvested and must be tagged in accordance with proper tagging procedures. **Note:** Applicants with more than one tag may harvest more than one turkey on the same day *only if* the tags are for the same time period.

Other Restrictions

- You may not hunt turkeys:
 - By any means other than a shotgun or muzzle-loading shotgun fired from the shoulder, a bow and arrow or crossbow.*
 - With or while in possession of shotshells or shot **larger** than:
 - no. 2 steel
 - no. 4 lead or
 - other no. 4 non-steel shot
 - With the aid of recorded bird calls or sounds, or electrically amplified imitations of bird calls or sounds.
 - With the aid of dogs.
 - With live or electronic decoys for the purposes of enticing turkeys.
 - With the aid of bait.

*Crossbows are only allowed for resident hunters 65 years of age or older and resident or non-resident

disabled hunters with a Class A, C, crossbow, or certain Class B permits. The crossbow shall have a minimum draw of 100 pounds, a workable safety, and use at least 14-inch long bolts or arrows equipped with broadheads.

Assisting Other Hunters

- You **must** possess a turkey hunting license, stamp and valid, **unused** carcass tag if you possess a firearm, bow or crossbow *and*;
 - a turkey decoy or calling device, or
 - a member of your hunting party possesses a turkey decoy or calling device
- No license is required to call turkeys for another hunter if the caller does not possess a firearm, bow or crossbow. However, a guide license is required if a fee is charged.

Tagging, Transport and Possession

- Upon killing a turkey, immediately validate the carcass tag by cutting a slit corresponding to the day of kill; then attach the tag to the featherless part of the turkey’s leg with a tie.
- You may not carry by hand, possess or transport a turkey unless you have lawfully killed and tagged the turkey.
- While hunting, you may not possess a validated carcass tag that is not attached to a lawfully killed turkey.
- You may not remove or allow the removal of a validated carcass tag from a turkey prior to registration.

Registration

- Bring your tagged turkey (registration stubs will be available at the registration station) to a designated registration station no later than 5:00 p.m. the day after it is killed. A metal registration tag will be attached to lawfully taken turkeys; keep this tag until the meat has been eaten. For a list of registration stations call your local DNR Service Center or look on the DNR website (*dnr.wi.gov*).

Focus on Safety

- Be certain what you see or hear is a turkey—not a decoy or person.
- Do not wear red, blue or white—the color of a gobbler’s head.
- Consider wearing blaze orange when moving from place to place.
- When another hunter approaches never wave, stand or sound a turkey call; use your voice or whistle instead.
- Avoid stalking turkeys. Use decoys with caution.
- Select calling or ambush sites with your back to a tree at least as wide as your shoulders and where you can see at least 40 yards in all directions.
- Never assume you are the only hunter in the woods.
- Be certain no one is positioned beyond the turkey you are shooting at.

Turkey Hunter Education

- Learn turkey biology and behavior, turkey hunting methods, regulations, safety precautions, landowner-hunter ethics, scoring trophy birds, and ideas on how to prepare your bird. These **FREE Turkey Hunting Education Clinics** will be held around the state during February and March and are sponsored by the Wisconsin DNR and the Wisconsin Chapter of the National Wild Turkey Federation. Plan on attending one in your area and either brush-up on your skills or learn new techniques to bag that elusive long-beard. Call 608- 261-8458 or log onto *dnr.wi.gov* for a list of clinic dates, times and locations.

Questions?

Please contact the DNR Bureau of Wildlife Management at 608-266-8204 with any questions you have relating to turkey management, quotas, or harvest.

For updated season & license information call the WI DNR Hunting License & Season Information Line at 1-800-282-0367.

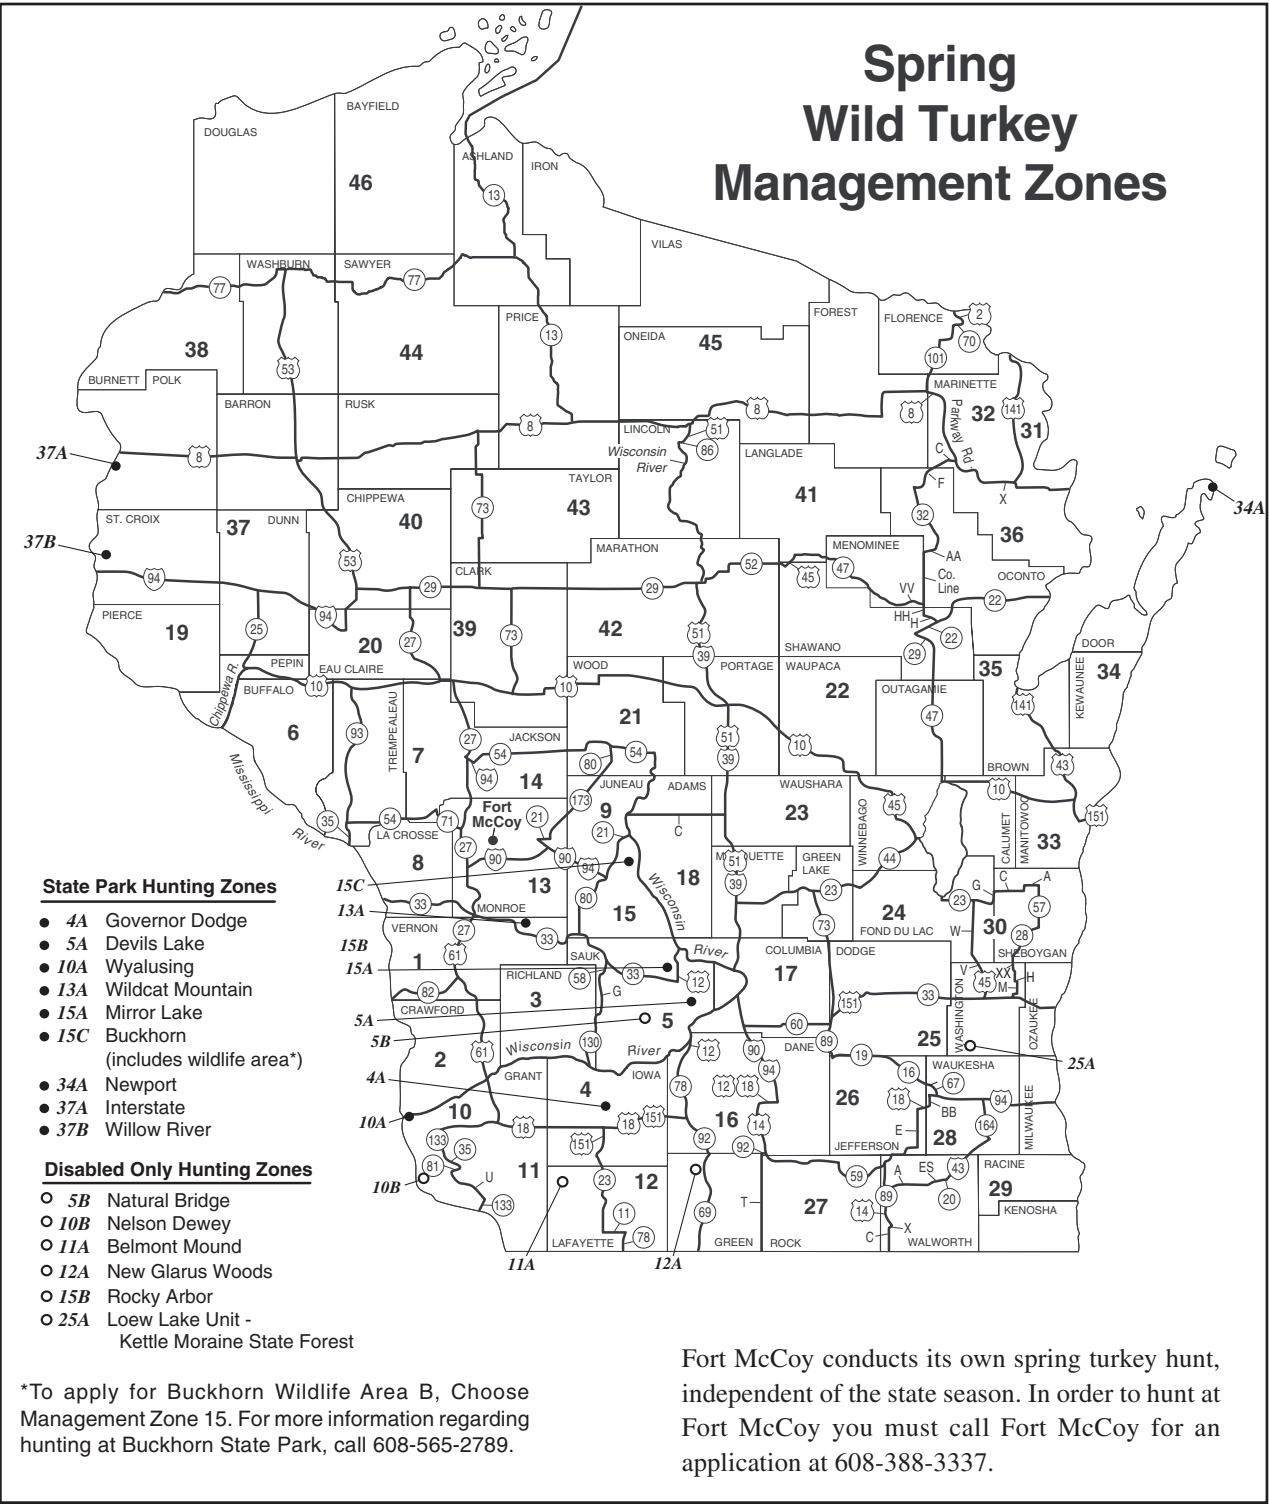

Youth Spring Turkey Hunt

This year’s hunt: April 7 & 8, 2007

2007 marks the first year Wisconsin youth will be able to participate in an annual spring turkey youth hunt. The hunt is designed to give youth hunters, ages 12 - 15 that have successfully completed a hunter education program, an opportunity to hunt turkeys and gain valuable hunting experiences.

Youth Hunt Rules and Regulations:

- Open to persons 12 - 15 years of age (resident and non-residents) who possess a hunter education certificate of accomplishment and a spring turkey license, stamp, and a valid carcass tag for spring 2007.
- Carcass tags can be for any hunting period of the spring 2007 season, but hunters are limited to the turkey management zone in which their carcass tag was issued for.
- Youth hunters may hunt turkeys on April 7 & 8, 2007 in all turkey management units including state parks that are currently open to spring turkey hunting.
- The bag limit is one male or bearded turkey per spring turkey carcass tag.
- A youth who does not successfully harvest a turkey during the 2 day youth hunt may use their unfilled carcass tag during the time period and in the zone for which the carcass tag was issued. A carcass tag that *was used* to tag a turkey during the 2 day youth hunt *may not* be reused to harvest an additional turkey during the time period for which the carcass tag is valid.
- Youth hunters must be accompanied by an adult 18 years of age or older during the 2-day youth hunt.
- One adult may not accompany more than 2 hunters and all other spring turkey hunting regulations apply. “Accompany” means within visual or voice contact without the aid of any mechanical or electronically amplified device, except for a hearing aid. Please keep in mind turkey hunting is a unique sport and requires extra safety precautions. Hunting mentors are highly encouraged to be within an arms reach when accompanying a new turkey hunter.

Fort McCoy conducts its own spring turkey hunt, independent of the state season. In order to hunt at Fort McCoy you must call Fort McCoy for an application at 608-388-3337.

The Wisconsin Department of Natural Resources provides equal opportunity in its employment, programs, services, and functions under an Affirmative Action Plan. If you have any questions, please write to Equal Opportunity Office, Department of Interior, Washington, D.C. 20240.

This publication is available in alternative formats (large print, Braille, audio tape, etc.) upon request. Please call 608-266-8204 for more information.
